PLANNING COMMISSION

Meeting called to order at 11:00 a.m. by Chairperson, Carolyn Barrett.

Members in attendance: Carolyn Barrett, Sally Mulka, , Al Grundy & Roger Witherbee.

Absent: Sandy Paquette

**Guests:** One

**Approval of March 26, 2015 Minutes:** Moved by Mulka / Barrett that the minutes be approved as presented. Motion passed.

**Secretary/Treasurer Report:** Petty Cash Fund: Balance as of June 25, 2015 - \$50.00

**Chairperson:** Carolyn informed the Commission that she would be retiring as March 2016.

**Correspondences:** Carolyn received a FYI letter from Presque Isle Township notifying the Planning Commission of a change in zoning of some of their lots from R2 (mixed residential) to R1 (Rural Residential). Reason for the notification is that part of one of the lots is in Krakow Township.

**Past Business:** Drafting an ordinance for an "Industrial Park"

Witherbee updated the Commission on the Attorney's thoughts and direction we need to take regarding light industrial zoning.

We need to demonstrate in the Master Plan that a location within the Township does not exist where the use may be appropriately located.

After a lengthy discussion it was decided that Witherbee is to ask NEMCOG to attend the September meeting with suggestions and assistance in deciding what we might consider in developing an ordinance for the Master Plan.

**Future Business:** Continue to work on Light Industrial zoning.

**Public Comments:** None

**Meeting adjourned:** 12:00.

Respectfully submitted,  
Secretary, Roger Witherbee
